Why

We need everyone's help to build the **PIRATE PLAYGROUND**, the area's first community inclusive playground. Thanks to the Community Foundation for Northeast Florida, all funds raised will be matched 2x. \$1 = \$3!

And How!

ORGANIZE a team for the 2 Mile Wheel and Walk! To participate as a team with your friends, family, business, church, school, or organization in the Wheel and Walk, follow these steps:

Recruit 3-5 wheelers/walkers who will work together to raise funds for the Heel-n-Wheel. Each team will have one person using a wheelchair. Wheelchairs will be available for loan on the day of the race, or bring your own. Decorate your wheelchair --- there are prizes for the best decorations!

Choose a team name and captain.

Register your team online at: www.8flagsplayscapes.org or call 904-335-7253. **Teams registered online by March 7 will receive T-shirts.**

Ask your friends, family, and others to sponsor you and make donations. Use the reverse side of this form to record your sponsors' donations. Donations can also be made online at:

www.makeyeshappen.com/HeelINWheel . If your team has donations made online, put "online" in the "paid" column next to the donor's name and amount on the reverse side of this form.
